

## Two Things God Cannot Do (Part I)

Q: Is there anything God cannot do?

A: **Yes!** Ex) God cannot sin (Titus 1:2, Hebrews 6:18)  
God cannot break His promise (Psalm 89:34)  
God cannot be created (Genesis 1:1, Revelation 22:13)  
God cannot change (Malachi 3:6) and so on...

*Today's Theme: God cannot love you **more** than He does now!*

### A. World's Conditional Acceptance vs God's Unconditional Acceptance

- The world accepts you **if** you look/act in a certain way, or have certain things
- God accepts you **because** God is love.

### B. Jesus vs Religion

- Matthew 11:28-30 (Jesus saying to people "Come to Me!")
- Situation - Jesus said "Come to Me" where:
  - People lived under the **Law** (rules)
  - Religious leaders added **more** rules
  - People were tired from trying to follow all the rules
- Audience - Jesus said "Come to Me" to:
  - People who were bound to the rules and laws as a way to receive **acceptance** from God
- Religion tells you to **do** things!
- Jesus tells you to **come** to Him!
- Religion says "God's acceptance depends on **your efforts!**"
- Jesus says "God's acceptance depends on **Me!** (what Jesus did)

### C. Conclusion

- God loves us so much that He cannot love us any more!
- We don't have to try to gain God's love. Find rest in Jesus!
