

## **“I Surrender All (Part I)”**

King:

One who rules over you and determines direction in your life.

Q1: Who (or what) is your king?

Q2: Is your life working?

### **What does the Bible say about the “king”?**

- *God* is the King! (Psalm 24:8-10)
- At first, Israel had no king. (Judges 21:25)
- Then, people wanted a king other than God. (1 Samuel 8:5b)
- God was not pleased with their request. (1 Samuel 8:7)

*Aren't we the same?*

### **Christian life**

According to Dr. George Murray of Columbia International University,

- Christian life is not a democracy, but is a monarchy.
- Christian life is not a constitutional monarchy; Christian life is an absolute monarchy.

### **Surrendering to King**

- God is the absolute King whom we are to allow absolute reign over us.
- Surrendering all to God starts from understanding and allowing God's absolute kingship over us.
